

AUGUST KELLER

St. Louis, MO • (818) 720-6011 • guskeller@gmail.com • [LinkedIn/GitHub if available]

SUMMARY

Software developer with a background in payroll auditing, tax compliance, and education, skilled at analyzing data, solving problems, and communicating across teams. Proficient in **Java, JavaScript, and React** with experience building responsive web applications. Known for quickly learning new technologies and delivering user-focused solutions.

TECHNICAL SKILLS

Languages/Frameworks: Java, JavaScript, React, HTML, CSS, Jest

Tools: Git, Microsoft Office Suite, Educational Technology Platforms, Tax Auditing Systems

PROJECTS

Front-End Movie Recommendation App – LaunchCode Project

- Built a responsive React app allowing users to search and receive curated movie recommendations.
- Implemented dynamic category/genre selectors for personalized results.
- Utilized React Router and state management for seamless navigation.

Personal Portfolio Website – Independent Project

- Designed and developed a personal portfolio site with HTML, CSS, and JavaScript.
 - Integrated responsive design for desktop and mobile compatibility.
 - Added interactive navigation and project cards to boost engagement.
-

EXPERIENCE

Payroll Auditor – St. Louis Collector of Revenue | Jan 2023 – Present

- Audited and processed 200+ payroll tax submissions weekly with 99% accuracy.
- Streamlined workflows, reducing processing time by 15%.
- Trained new staff on tax procedures and database systems.

Elementary Teacher – Ritenour School District | Jun 2022 – Present

- Integrated technology tools to increase student engagement and assignment completion.
- Collaborated with colleagues to align curriculum with state standards.

Substitute Teacher – Glendale Unified School District | Feb 2018 – Apr 2021

- Adapted to multiple grade levels/subjects, maintaining continuity of instruction.

(Additional teaching roles available upon request.)
